PREPARING STUDENTS
FOR LIFE

Preparing Students for Life

Silverton Elementary School offers your child an incomparable education that will help them go far. We are a neighborhood and magnet school serving grades Preschool-6.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Your child will experience our:

- Digital Leadership Academy, which teaches K-6 students the technology and leadership skills needed to succeed in high school and beyond.
- State-of-the-art Digital Leadership Technology Lab, featuring coding instruction, 3D printing and robotics.
- The Leader in Me program, where students learn lifelong decision-making skills that help them develop into responsible, caring, compassionate and productive citizens.
- Variety of after-school programs and extracurricular activities, including M.O.R.E. (Men, Organized, Respectful and Educated), band, choir, dance and tutoring.

Enroll your child today!
